SOFT SKILLS

- Communication
- Problem-solving
- Teamwork
- Adaptability
- Leadership

PROJECTS

PORTFOLIO | https://github.com/akankshaa-2512/portfolio
- Designed and developed using HTML, CSS and Javascript.
- Added features like **Changing modes** of website and **Animated text** using libraries of javascript.
- **Interactive Elements** Utilized JavaScript to create interactive elements such as a dynamic navigation menu, image sliders, and form validations.
- **Version Control** : Managed the project using version control systems like Git to track changes, collaborate with others, and maintain code integrity.

E-COMMERCE | https://github.com/akankshaa-2512/e---commerce-website
- Developed an intuitive and **user-friendly** interface to enhance the shopping experience, including clear navigation and organized product categories.
- Created **detailed product pages** with high-quality images, descriptions, and pricing information.
- Utilized CSS animations and transitions to enhance the visual appeal and interactivity of the website.
- Designed a **consistent header and footer** with navigation links, contact information, and social media icons.

JAVASCRIPT PROJECTS
- **Expense Tracker –** A JavaScript-based expense tracker for efficiently managing and visualizing personal finances in real-time.
- **Key Logger -** A real-time JavaScript keylogger project that logs and displays each keystroke to monitor user input dynamically
- **To-do List -** A JavaScript-powered to-do list app for organizing tasks efficiently with user-friendly interface and interactive features.
- **Sample form to input email**

POSITION OF RESPONSIBILITY

- **Lead technical and cultural events -** I assumed a pivotal role in orchestrating multiple campus tech events, demonstrating leadership and organizational prowess.
- **PR head-** I am the PR head of fashion club, and indulged myself in making posters, handling and managing social media and various other things.

CERTIFICATIONS

MERN STACK DEVELOPMENT | by – 30dayscoding.com
- My MERN stack certificate demonstrates proficiency in MongoDB, Express.js, React, and Node.js, with hands-on experience in full-stack web development and RESTful API design.

DATA STRUCTURE AND ALGORITHM | by -30dayscoding.com
- My data structures and algorithms certificate demonstrates proficiency in core data structures, algorithm design, and effective problem-solving.

PARTICIPATED IN HACKATHONS
- Attended 10+ hackathons organized in campus.
